Memo on the Mysore City Extension:—

(2)

Proceedings no: 343-8 P.G. dated 11th October 1900 Para 6 requested Chief Engineer to report if Executive Engineer Palace Division may in addition to his own work assist the Municipality in carrying out the proposed Extensions to the city of Mysore.

—//—

The Chief Engineer in his no: 4977 dated 19th October 1900 expressed the opinion that the Palace Executive Engineer is under the orders of the Superintending Engineer Western Circle and it might lead to complications if he had to work under two Officers and that his Services cannot be spared.

He suggested the employment of an Engineering Agency on this work and that the Superintending Engineer Sanitary Circle should have charge of the work. No orders were issued on the above suggestion and the charge of the Extensions have remained under the Municipality. The Sanitary Superintending Engineer has however repeatedly inspected the works and made suggestions to the Vice President which were uniformly accepted by that Officer.

The Comptroller's letter shews how in spite of the instructions issued by him, the President has been making unauthorized payments of Government money, on the plea that the Board sanctions such payment. The Board has no power to act contrary to the orders issued by Government & the duty of pointing out to the Board whether a certain act of theirs is permissible or not, rests entirely with the Executive Head of the Municipal administration. Under such circumstances, it is respectfully submitted that the President may be informed that the Board's action including that of the President was highly irregular & unauthorized

& that the amount should be recovered & credited to Plague funds as already directed, as a large expenditure has been incurred on this account by Government & not by the Board

The acquisition was made from State funds. The sale proceeds of materials should have been credited to the State as distinctly directed in the order of Govt. The Board had no manner of control over an

Portion of that money - The President ~~in his~~ recommendation to the Board the Board resolution to authorize payment and the President action in making payment on the receipt of that Resolution were duly certified. If the amount sanctioned by Government for the payment of Commutation was found sufficient the Trustees Course for the ~~Vice~~ President to adopt was to ask for an additional Grant from Govt. Memo for orders.

Reference.- (1) Letter No.345 dated 18th December 1901 from the Comptroller to the Govt of Mysore.

(2) Letter No.474 dated the 26th idem from the President, Mysore City Municipality.

The President Mysore City Municipality, submitted that the loans of Rs.1,17,255/- and Rs.39,000/- sanctioned in the marginally noted Pros. were utilized for the works specified therein and that a sum of Rs.10,548/- was available for the purpose, and requested sanction for a further loan of Rs.85,700/- for the removal of the highly congested blocks in the City.

Nos. 12970-72/L.F.204-93 and 3089-92/L.F.30-36 dated the 11th April and 28th August 1898 and 1900 respectively.

2. As per para 6 of the 1st Councillor's Inspection Notes dated the 11th July 1901 it was settled that 4 blocks in Erangere should be removed first and their cost made good to some extent by the resale of sites &c, To meet the approximate cost of removing these blocks a sum of Rs. 32,256/- was provisionally sanctioned from Plague Funds

Govt Pro.No.1285-88/L.B.(P)198-201 dated 25th July 1901.

3. It was finally ordered that the block adjoining the Roman Catholic Church in Erangere might be allowed to be included in the Church compound on payment of Rs. 3,000/- by the Priest

No.8400-4/L.B.(P)1145 dated 2-12-01.

4. The

4. The Comptroller in the first of the two letters cited above enquires to what head of account the amounts which are expected to be realized by the sale of materials and by contributions are to be credited.

5. As the cost of removing the 4 blocks in ~~the~~ Erangere Viz.,Rs.32,256/- has been provisionally sanctioned from Plague Funds, any amount recoverable by sale of sites or materials should be credited to Provincial Funds under a special head "Plague"

6. In the second of the two communications alluded to above, the President states that out of Rs.13,450/- sanctioned for the removal of 125 houses in the Erangere Holagere only Rs.9450/- were spent for acquiring 122 houses leaving thereby a balance of Rs.4000/-, and observes that to further improve the sanitation of the City, it is desirable to acquire some 44 more houses belonging to holeyars and that out of these only such as are absolutely required to be demolished for opening out roads and lanes will be removed the rest being kept and sold to better classes of people who are willing to purchase them thereby removing the holeyars whose habits are reported to be insanitary to a distant part of the City viz.,Jalapuri Extension where the holeyars are stated to be willing to go if compensation is paid for the houses acquired from them and sites allotted at Jalapuri. The cost of acquiring these 44 houses will amount to Rs.5,240/- as corrected in this Office which the President proposes

No.1,285-88/L.R.(P)198-201 dated 25th July 1901.

proposes to meet from the balance of Rs.4,000/- (vide para 6 supra) and Rs. 3,000/- to be recovered from the Roman Catholic Priest (vide para 3 supra).

4/11/02 Submitted to Secy
As the sum available out of the grant of Rs 13450/ sanctioned for the removal of Holagiri Erapuric is only Rs 4,000/, a supplemental grant of Rs 1240/ has to be sanctioned for the removal of the additional 44 houses now proposed by the President. It is doubtful however, whether the Government are bound to make over the additional site to the Roman Catholic Priest for the sum of Rs 3000/, offered by him & accepted by Govt as per Govt Pro No 8400-4 L B B (P) 1165 of 2nd December 1901 (Series No 19)

6/11/1902

We are not bound to hand over the additional site acquired. If the acquisition of these 44 houses has to be made, a further allotment has to be made from state funds. HJ

No.110807-L.R.P.1349, 18-1-02

7. The foregoing order of the 1st. Councillor was communicated to the President, City Municipality, Mysore in this office docket noted in the margin

8. In the maenwhile the President reports that the doleyars numbering 65, whose houses were acquired as per Govt. Pro. cited in the margin have begun to construct new houses in the Jalapuri extension on a somewhat enlarged scale than what they possessed formerly and that the compensation paid to them in lieu of their houses is not enough to meet the cost of construct -ing new houses and recommends the grant to them of a loan of Rs25 to 40 per head to be recovered at monthly instalments of Rs.4 & 2 respectively as circumstances permit.

9. He further suggests that the loan which comes to Rs.1650/- may be paid out of the sum of Rs.4000/- remaining out of the sum of Rs13,450 sanctioned for the removal of 125 houses in Erangere-dolagere(vide para 6 supra) and that there will be no difficulty in recovering the amount due to Govt by the doleyars.

1st Councillor's remarks taken from page 4 of the Agenda note -

There is considerable saving in the original sum allotted for removal of houses in the Transferred Holginé. The locality that is now proposed to deal with is ——— part of the Holginé & the houses are on the northern side of the main road passing through the Holginé. It is also very crowded & badly built and the removal of these houses also will effect a great improvement in the health of this part of the town. The removal is not attended with any difficulty or opposition from the people. In fact they themselves want to get rebuilt in the new extension as the near their ~~residence~~ work. They have also a temple in common and the temple is already being removed to the extension. We have savings of the extent of Rs - 4,000/- & this and amount that will have

The president was requested to submit his separate statements, one showing in detail the Budget grants, the allotments made and the expenditure incurred from July 1901 up to end of May 1902, and the other showing the expenditure incurred for removing certain blocks of houses in the Shimoga city for which a lump sum of Rs. 32,250/- was sanctioned in Govt. Pro. No. 1285-88 / L.B.K 198-201 dated 25-July 1901.

No. 657 dated 29.6.02

3. The president, Submits only the former Statement, from which

which it will be seen that the total Budget grants from July 1901 up to end of June 1902 is Rs 38816-8-0

The actual expenditure for the same period excluding the amount spent for the construction of "V" shaped drains, -- the improvements, for which Rs 5000/- was already placed at the disposal of the president (vide, plague Comm's No 2469-70 dated 6th Dec 1901) is Rs 23,029-2-9

The expenditure is within the Budget grant. (Rs 15,787-5-3)

The amount placed at the disposal of the president from 1st July 1901 up to end of June 1902 is Rs 27,104-0-0

Deduct the actual expenditure (up to end of June 1902) of Rs 23,029-2-9 and the Budget grant of Rs 964-8-0 for the month of June 1902, (i.e) Rs ---- 23,993-10-9

The balance still available is Rs 3110-5-3 for adjusting the sanctioned items of the Budget if any.

4. The president, applies for Rs 24,250/- to adjust the plague expenditure, as well as the expenditure

incurred out of the grant of
Rs 32,256/- sanctioned in
Govt. proc. No 1285-88 dated 25
2-15-h 198-201
July 1901, for removing the 4
blocks of houses in the city up to
